

Turner's Tidings

Friday, August 21, 2015

Dear Parents/Guardians,

During language arts centers we introduced the classroom library! This is a place for your child to begin to read!! We have learned the 3 ways to read a book: 1. Read the pictures 2. Read the words 3. Retell the story. We learned that we are all readers!!

Our weekly focus in math was position words. We used a paper cup and teddy bear to learn these position words: over, under, up, down, inside, outside, between, above, below, near, far, in front of, behind, to the left of, and to the right of. We did very well with this activity!! The words we still struggle with are behind, to the left of, and to the right of. Keep practicing at home using these words in everyday living! We also continued practicing sorting by size, shape, color, and other various ways!

Have a TREE-MENDOUS weekend!
